

## XXII. Santa Speedo Run

Mark your calendar: **14th December 2025, Sunday, 2PM.** Location: Budapest city centre. Start from: **Go Active Fitness** (Gozsdu Udvar, Király str). Length of the Run: about 40 minutes, 3,5kms. We can do more together, come this year and join us, to support the **Hungarian Child Oncology Network.**

### MAKE YOUR EXPERIENCE IN BUDAPEST UNIQUE FOR LIFE!!!

There are dreams and plans that never happen overnight. Some dreams never do. If you have ever dreamt of something big, you know it. In 2004, we set foot on the street with a dream big enough to have a place in it for you too. We wanted hundreds of people jogging out into the snow and bring smiles and happiness to children in need, to the pedestrians of the streets and to friends and family. We asked for an hour of fun and charity. We were a group of 12 people at that time with a goal to spread the spirit and one day have **200 plus runners in Budapest.** We have the chance to do this while the kids we usually support do not. This year, we help a school to purchase certain items they can otherwise not save the money for.

We are very thankful for everyone helping us do this: Go-Active Fitness, Vázsonyi Pincészet, Széchenyi Spa, Gozsdu Udvar and all our friends and families!

When companies cut budgets other supporters arrive, when people of the street pull their coats tighter from the freeze, others go out in speedos to bring warmth. As Károly Rékasi once said in an interview: 'This Run is great not just because the children are happy about it but also because it cheers up the ones that do the giving.' It is definitely the reason why people fall in love with this event. Santa Speedo Run is the most fun event of the season! Come and join us on **14th December 2025** and experience the joy and love that only this event can bring!
